Service Charges, continued:

Foundations

Foundations are required and constructed by the Cemetery for all monuments and markers. Unless otherwise noted, the foundation charge for a monument or marker is based upon the surface area of the marker or base of the monument, at the square surface inch charge then in effect. The current foundation charge is \$1.50 per square surface inch which includes a fee for the Maintenance & Preservation Fund as required by New Jersey State law.

The monument dealer selected by the family must submit the foundation charge to the Cemetery along with the Cemetery’s required *Order for Monumental Work – Permit*, prior to ordering the monument or marker. *There is no waiting period to have a monument or marker set on a plot, lot or grave.*

Minimum foundation charge	\$525
Pre-installed foundation for Section-Division F-2, F-3, F-4, G-14, K-4, V-10	\$525
Child Grave (designated <i>Child</i> sections)	\$325
Youth Grave (designated <i>Youth</i> sections)	\$375

Items numbered 2 – 18 of the *VA Form 40-1330 Claim for Standard Government Headstone or Marker* are to be completed by the next of kin of the deceased Veteran and submitted to the Cemetery for certification and further processing along with the required foundation and installation charge listed below. A copy of the discharge papers should also be included. The Cemetery permits only the flush granite and flush bronze veteran markers. The Cemetery does not permit the Government issued medallion; the placing of pictures, bronze ornaments, bronze lettering or any other adornments on or about any monuments or markers is not permitted.

All Government Markers are set flush at the foot of a Veteran’s grave and are not permitted in Sections E-4 Memorial Gardens or B-3 Cremorial Gardens.

Foundation and Installation of Granite Veteran’s foot marker	\$475
Foundation and Installation of Bronze Veteran’s foot marker	\$500

Removal of existing foundation and reconstruction is based on charges listed above.

Inscriptions

Cremorial Bench inscriptions and bronze niche plaques must be ordered and completed by an authorized representative of the Cemetery

Seasonal Endowments:

The principal amount below is deposited in a commingled trust fund whereby the income is used to maintain the endowment.

December Holiday wreath, approximately 20" with red bow and pine cones **\$1,000 per wreath**
placed annually in December by a representative of the Cemetery, can be for an entire lot or for an individual grave

Palm Cross **\$1,000 per palm cross**
placed annually by a representative of the Cemetery prior to Palm Sunday, can be for an entire lot or for individual graves

Endowments:

Perpetual Care Fee for plots, lots and graves not under perpetual care is \$18.00 per square foot

Minimum Perpetual Care Fee per plot, lot or grave - \$725

Minimum Perpetual Care Fee per Child Grave - \$275 (designated *Child* sections only)

Minimum Perpetual Care Fee per Youth Grave - \$325 (designated *Youth* sections only)

Perpetual Care Fee per entombment or placement of cremains in a private mausoleum building not under perpetual care is \$2,500 (does not include property surrounding mausoleum). This does not constitute full endowment of the building unless otherwise stated in the perpetual care agreement.

Interment of human remains or burial of cremated remains requires perpetual care be paid on at least the portion of the plot, lot or grave being used for said interment and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave divided by the total number of graves in the plot or lot multiplied by the Perpetual Care Fee then in effect multiplied by the total number of graves being used for the interment or burial*. This does not constitute full endowment of the plot, lot or grave unless otherwise stated in the perpetual care agreement.

* If a burial of cremated human remains, infant or child takes place in some portion of a plot, lot or grave, or erecting an individual marker takes place in some portion of a plot, lot or grave not outlined above, e.g., side of monument (where permitted) or odd size portion of the plot, lot or grave, the Perpetual Care Fee will be calculated on the basis of a full size grave as set forth above.

Endowments continued on next page

Endowments, continued:

Erecting a monument on a plot, lot or grave requires the entire square footage of the plot, lot or grave be endowed for perpetual care and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave multiplied by the Perpetual Care Fee then in effect.

Erecting an individual marker on a plot or grave requires perpetual care be paid on at least the portion of the plot, lot or grave where the individual marker is to be erected and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave divided by the total number of graves in the plot or lot multiplied by the Perpetual Care Fee then in effect and multiplied by the total number of graves corresponding to the marker*. This does not constitute full endowment of the plot, lot or grave unless otherwise stated in the perpetual care agreement.

* If a burial of cremated human remains, infant or child takes place in some portion of a plot, lot or grave, or erecting an individual marker takes place in some portion of a plot or lot or grave not outlined above, e.g., side of monument (where permitted) or odd size portion of the plot, lot or grave, the Perpetual Care Fee will be calculated on the basis of a full size grave as set forth above.

Transfer of ownership of a plot, lot or grave requires the entire square footage of the plot, lot or grave be endowed for perpetual care and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave multiplied by the Perpetual Care Fee then in effect.

Additional Services:

Charges based on size, type and layout of plot, lot or grave

Planting bed preparation in front of an upright monument	\$45 – and up
Power wash monuments and markers	\$40 – and up
Shrub planting, in designated areas only	\$250 – and up

All Owners and Visitors are subject to The Hillside Cemetery Association Rules and Regulations now in effect and any future revisions. Selection of lots and graves limited and prices vary, Section-Division: A-2, A-3, A-4, A-5, A-6, C-1 Select, D-1, D-4, D-5, E-1, E-2, E-3, E-4, E-5, G-4, G-6, G-7, G-11, V-1 Plots, V-1 Select, V-5, V-6, V-7, V-9 and other areas. A minimum of 48 hour notice during the Cemetery's business hours is required for all interments and inurnments. No funerals are permitted after 3 p.m. Monday through Friday or after 12 p.m. on Saturdays. No funerals are permitted on Sundays or certain Federal Holidays. "Green" and "natural" interments are not permitted. Lots, Graves, Bronze Cremorial Niches and Granite Cremorial Benches are subject to availability. All prices for Plots, Lots, Graves, Bronze Cremorial Niches and Granite Cremorial Benches include Perpetual Care as well as the required fees for the Maintenance and Preservation Fund as required by New Jersey Law. Certain Service Charges include fees for the Maintenance and Preservation Fund as required by New Jersey Law. All Adult and Youth interments require a metal or wood casket and two-piece solid concrete burial vaults; no bottomless or partial concrete burial vaults permitted. All Child interments require, at minimum, a non-permeable casket/vault combo. An urn vault is required for any cremains interment in a double depth grave. Rough box vaults are not permitted for any extra deep interment. The Cemetery requires concrete vaults be serviced and closed by the providing vault company. All plots, lots and graves are single depth unless otherwise noted. Each adult single depth grave accommodates a total of one adult interment and two cremains. In some instances one or two additional cremains may be able to be accommodated in a single depth grave. Buried cremains are non-recoverable and the Cemetery is not responsible for conditions of cremains if disinterred. Urn vaults are required for the interment of cremains in double depth graves. The scattering of cremains is prohibited. All inurnments in Bronze Cremorial Niches and Granite Cremorial Benches must be made in cremorial containers provided by the Cemetery. All monuments and markers, excluding veterans' markers, must be purchased from a qualified monument dealer. Setting of same must be arranged by the dealer and subsequently set by a qualified monument setter. All monuments and markers must have concrete foundations constructed by the Cemetery. The Cemetery does not permit bulk plot, lot, grave, niche or bench sales. Prices are subject to change without notice. We respect the personal privacy of all plot, lot, grave, niche and cremorial bench owners. We do not sell, share or disseminate an owner's address or phone number to any organization or individual without the owner's consent. If you have any questions regarding our Privacy Policy please contact the General Manager. Certificate #116.
