Additional Saturday interment/inurnment charge (funerals must arrive prior to 12 p.m.)	\$ 525

Child & Youth Interments

Child Grave, standard single depth opening, up to 3 feet	\$1,100
Youth Grave, standard single depth opening, 3 – 6 foot opening	\$1,550

Other Miscellaneous Interment Charges

Canopy set-up	\$ 225
Cremains placed in casket or on top of vault at same time of casket burial	\$ 325
Disinterment of cremated remains (if recoverable)	\$ 575
Remove and reset existing stone corner post for interment, per post	\$ 325

Foundations

There is no waiting period to begin the monument or marker process following interment or placement of ashes. Additionally, monuments and markers may be set in advance (preneed) if desired.

The Cemetery requires that foundations for all monuments and markers be provided and constructed by the Cemetery. Unless otherwise specified below, the foundation charge is based on the surface area of the marker or the base of the monument, calculated at the current rate of \$1.75 per square surface inch. This fee also includes a contribution to the Maintenance & Preservation Fund, as mandated by New Jersey State law. The monument dealer chosen by the family must submit the foundation charge along with the Cemetery's required *Order for Monumental Work Permit* before placing an order for the monument or marker.

Minimum foundation charge	\$625
Pre-installed foundation for Section-Division:	
F-2, F-3, F-4, F-5, F-6, G-14, K-4, K-5, V-10	\$625
Child Grave (designated <i>Child</i> sections)*	\$365
Youth Grave (designated <i>Youth</i> sections)*	\$420

*see Page 6 "Endowments"

The Cemetery permits only flush granite and flush bronze markers for Veterans. The placement of the Government issued medallion, pictures, bronze ornaments, bronze lettering, or any other adornments on or around monuments or markers is prohibited.

All Government markers are set flush at the foot of a Veteran's grave. They are not allowed in Sections B-3 Cremorial Gardens, E-4 Memorial Gardens, E-9 cremains graves, or K-6 and R-5 flush marker cremains graves.

Items 1 through 24 on the most current version of VA Form 40-1330, *Claim for Standard Government Headstone or Marker*, must be completed by the next of kin of the deceased Veteran. This form, along with the required foundation and installation charges (listed below), should be submitted to the Cemetery for certification and further processing. A copy of the Veteran's discharge papers must also be included. Cemetery staff can assist with completing the *Claim*.

Foundation and Installation of Granite Veteran's foot marker	\$525
Foundation and Installation of Bronze Veteran's foot marker	\$560

Removal of existing foundation and reconstruction is based on charges listed above.

Inscriptions

Inscriptions for Cremorial Benches and Bronze Niche Scrolls must be ordered and completed through an authorized representative of the Cemetery.

Monument inscription - <i>Permit</i> application fee	\$ 75
Cremorial niche bronze scroll	\$495 and up
Family name on front panel of cremorial gardens bench	\$625 and up
Individual name, year of birth and year of death on cremorial bench leg	\$575 and up

Seasonal Endowments:

The principal amount below is deposited in a commingled trust fund whereby the income is used to maintain the endowment.

December Holiday wreath, approximately 20" with red bow and pinecones **\$1,250 per wreath**
placed annually in December by a representative of the Cemetery, can be for an entire lot or for an individual grave

Palm Cross **\$1,250 per palm cross**
placed annually by a representative of the Cemetery prior to Palm Sunday, can be for an entire lot or for individual graves

Endowments:

Perpetual Care Fee for plots, lots, and graves not under Perpetual Care is \$26.00 per square foot

Minimum Perpetual Care Fee per plot, lot or grave - \$1,040

Minimum Perpetual Care Fee per Child Grave - \$350 (designated *Child* sections only)

Minimum Perpetual Care Fee per Youth Grave - \$400 (designated *Youth* sections only)

Perpetual Care Fee per entombment or placement of cremains in a private mausoleum building not under Perpetual Care is \$3,000 (does not include property surrounding mausoleum). This does not constitute full endowment of the building unless otherwise stated in the Perpetual Care agreement.

Interment of human remains or burial of cremated remains requires Perpetual Care be paid on at least the portion of the plot, lot or grave being used for said interment and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave divided by the total number of graves in the plot or lot multiplied by the Perpetual Care Fee then in effect multiplied by the total number of graves being used for the interment or burial*. This does not constitute full endowment of the plot, lot or grave unless otherwise stated in the Perpetual Care agreement.

* If a burial of cremated human remains, infant or child takes place in some portion of a plot, lot or grave, or erecting an individual marker takes place in some portion of a plot, lot or grave not outlined above, e.g., side of monument (where permitted) or odd size portion of the plot, lot or grave, the Perpetual Care Fee will be calculated on the basis of a full-size grave as set forth above.

Endowments continued on next page

Endowments, continued:

Erecting a monument on a plot, lot or grave requires the entire square footage of the plot, lot or grave be endowed for Perpetual Care and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave multiplied by the Perpetual Care Fee then in effect.

Erecting an individual marker on a plot or grave requires Perpetual Care be paid on at least the portion of the plot, lot or grave where the individual marker is to be erected and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave divided by the total number of graves in the plot or lot multiplied by the Perpetual Care Fee then in effect and multiplied by the total number of graves corresponding to the marker*. This does not constitute full endowment of the plot, lot or grave unless otherwise stated in the Perpetual Care agreement.

* If a burial of cremated human remains, infant or child takes place in some portion of a plot, lot or grave, or erecting an individual marker takes place in some portion of a plot or lot or grave not outlined above, e.g., side of monument (where permitted) or odd size portion of the plot, lot or grave, the Perpetual Care Fee will be calculated on the basis of a full-size grave as set forth above.

Transfer of ownership of a plot, lot or grave requires the entire square footage of the plot, lot or grave be endowed for Perpetual Care and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave multiplied by the Perpetual Care Fee then in effect.

Additional Services:

All owners and visitors are subject to the current Hillside Cemetery Association Rules and Regulations, as well as any future revisions. Selection of lots and graves limited and prices vary. A minimum of 48-hour notice during the Cemetery's business hours is required for all interments and inurnments. No funerals are permitted after 2:30 p.m. Monday through Friday or after 12 p.m. on Saturdays. No funerals are permitted on Sundays or certain Federal Holidays. "Green" and "natural" interments are not permitted. Lots, Graves, Bronze Cremorial Niches and Granite Cremorial Benches are subject to availability. All prices for Plots, Lots, Graves, Bronze Cremorial Niches and Granite Cremorial Benches include Perpetual Care as well as the required fees for the Maintenance and Preservation Fund as required by New Jersey Law. Certain Service Charges include fees for the Maintenance and Preservation Fund as required by New Jersey Law. All Adult and Youth interments require a metal or wood casket and two-piece solid concrete burial vaults; no bottomless or partial concrete burial vaults permitted. All Child interments require, at minimum, a non-permeable casket/vault combo. An urn vault is required for any cremains interment in a double depth grave. Rough box vaults are not permitted for any extra deep interment. The Cemetery requires concrete vaults be serviced and closed by the providing vault company. All plots, lots, and graves are single depth unless otherwise noted. Each adult single depth grave accommodates a total of one adult interment and up to four cremains. Buried cremains are non-recoverable and the Cemetery is not responsible for conditions of cremains if disinterred. Urn vaults may not be permitted in some single depth or double depth graves due to space limitation. The scattering of cremains is prohibited. All inurnments in Bronze Cremorial Niches and Granite Cremorial Benches must be made in cremorial containers provided by the Cemetery. All monuments and markers, excluding veterans' markers, must be purchased from a qualified monument dealer. Setting of same must be arranged by the dealer and subsequently set by a qualified monument setter. All monuments and markers must have concrete foundations constructed by the Cemetery. The Cemetery does not permit bulk plot, lot, grave, niche or bench sales. Prices are subject to change without notice. We respect the personal privacy of all plot, lot, grave, niche and cremorial bench owners. We do not sell, share, or disseminate an owner's address or phone number to any organization or individual without the owner's consent. If you have any questions regarding our Privacy Policy, please contact the General Manager. Certificate #116.
